- official Nationalism ->

overlap.

. Modular form of national underer

### O Creole Pioneers

- ((stidui)) · Portugue: Brazil · Sponich: Centrul, Weckern Armerica fuese fights seen as · English vs French. Protestant vs Catholics
  - · Around 5% of original population survived
- . So, megarity of the population: Euro colonizers. But, those born in the colonies: Crede.

## O Riddle of American Notiandism

- why European settles defined nonin the some breath? - create from Argentine limited of power creap - create from Argentine limited of power creap - create from Argentine limited of power creap - create from Argentine limited of power creap
  - Brazil was not such.

### O Journey as Meaning

- on their own, morket zones do not creake attachments - but consider the model of religious pilgrimage. (slidui)
- O Modern State Journeys O Common Circuits
- ((stides)) bounded by boundaries of administrative region - Shared Festality of American Birth emotional connect within value laden geography.

# O Inagining the Common Journey

((seides))			
- feeling that =	"as creates, we are	being sidelined? by	Spain/Portugal/English"
this confined ness	integred as a notion	with prost capital	Sm
